

Nissan Forklift

Nissan Forklift Training Kingston - Nissan Motor Co. Ltd prides itself on attaining total consumer contentment when enjoying one of their car, truck or forklift products. They are fully committed to delivering high value and meticulous quality standards to their clients. Incorporating a prosperous heritage combined with resilient production principals, Nissan Forklifts provide many of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide wishes of their assorted customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to providing consumer support, the company has four independent manufacturing facilities that permit them to constantly adapt to their customers continually evolving requirements by offering an assortment of modern ideas and designs.

The Nissan Lift truck North and South American foundation is situated in Marengo, Illinois. A dedicated team of 350 personnel is committed to the cooperation, design and manufacture of their products. Working under the ISO-9001 and ISO-14001 certifications, enables every sector of the Nissan Forklift Corporation to maintain environmental accountability by using systems that reduce the global influence of their goods and processes. These high standards remind clients that Nissan operates under the quality seal that their customers demand while being an environmentally aware company.

Nissan is fairly convinced that any of their customer's queries and customer worries directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, contacting one of their community authorized sellers or even visiting their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their hospitality and commitment.
